

OFFICERS ARREST HORSE THIEF

NEGRO CROOK TOOK HORSE FROM BARN AND STOLE SHOW TICKETS

A negro giving his name as Most Sloan, was arrested this morning by Deputy Sheriff W. B. Newton, and placed in the county jail on a charge of horse stealing. It developed later that he had stolen several hundred tickets from the Swain show and was peddling them out among negroes. Sloan stole a large bay horse the property of Mr. J. D. Harrison, from the latter's barn, and was in the act of trading him to some gypsies on the outskirts of town when he was arrested by the officer, who was accompanied by J. V. Harrison, who identified the animal.

The negro had worked for Mr. Harrison yesterday, and knowing that the barn was located some distance from the house, went back again today and took the horse, which he rode to the gypsy camp and proceeded to arrange a trade. He was seen by a woodcutter as he took the animal from the barn, and when Mr. Harrison missed the horse, he was reported.

The officer found him just as he was arranging to trade the horse for a little black mule, thus receiving enough difference in money to pay him for his trouble.

The negro was brought to the county jail, where he was search-

ed and in his pockets were found a number of tickets belonging to the Swain show. The matter was investigated and it was found that he had been to the tent of the show and had broken the lock on the ticket box stealing the tickets, which he was peddling out to other negroes.

Two cases were brought against him and he will be given a preliminary hearing next Monday before Judge Leslie.

SWAIN SHOW PRESENTED NICK CARTER LAST NIGHT

The big tent of the W. I. Swain Show was well filled last night by a most appreciative audience, who were more than pleased at the performance of "Nick Carter." The amusement loving public has caught the Swain habit to be entertained under a big tent, with all scenery and paraphernalia of a first class theatre, and a good company. The verdict of all who attend is, "A rattling good show."

Tonight, Mr. Swain's own new western drama, positively the first time presented in the city, "The Arizona Cowboy." It is a romance of the plains, with a bit of bright comedy, and it is said to be the best cowboy play ever written. Ladies will be admitted free with each 25c paid ticket. Doors open at 7:30, performance begins 8:15. Free band concert at 7:15 in front of the big tent. —Adv.

MASS MEETING THURSDAY NIGHT

THE QUESTION OF ANOTHER CHAUTAUQUA TO BE DISCUSSED

Shall Dothan have a chautauqua assembly next spring? This important question must be answered by the people of Dothan. A mass meeting will be held under the auspices of the Southeast Alabama Chautauqua Association at the court house tomorrow, Thursday evening at 7:30 to determine the sentiment of the town on this subject. The chautauqua association is willing to go ahead with arrangements for another assembly if people want it, but they are not willing to attempt to put on the people something the people do not want. For this reason it has been decided to call a mass meeting as above stated to get an answer to the question.

It is generally conceded that the

STANDING OF EAGLE'S LIBRARY CONTESTANTS

last assembly was phenomenally successful and as a proof of the interest at that time, the people subscribed about \$2,000 to build an auditorium for the next and subsequent assemblies. The officers of the association are not sure whether this interest is still alive and dead that every person in the city have a chance to express his or her opinion.

There will be no set speech at the meeting which will be presided over by Capt. A. E. Pierce, a number of the leading citizens are expected to enter the discussion. The ladies are especially urged to be present as the chautauqua work is of peculiar interest to them. The committee appointed to select a site for the auditorium is expected to report, and there will be reports from the secretary and treasurer on the work of the it.

The court room will be heated if the weather requires, and made otherwise comfortable. Let every person in Dothan who wants another chautauqua attend the meeting and by doing so give the association the necessary encouragement to continue their work.

The Limit

Talking about the railways of the South is rather an overworked profession. Before mason-jarring the crop, however, let Senator Burton of Ohio have the floor. "Speaking of railroads," he says, "the ultimate word in my experience was a 'limited' on which I traveled in Georgia last summer. At a point where we were making our greatest speed a man stood beside the track with a moving picture machine. I leaned out of the window and called to him, 'how are you getting on?'"

"He stopped turning the crank and spoke with an expression of deep disgust."

"It don't seem to be no use," he said. "Hold your head still, please. I want to get a true exposure."

A WORD ABOUT THE LIGHTS
Dothan, Nov. 29, 1910.
Editor Eagle, City.
Dear Sir:—In regard to the complaint you made yesterday concerning poor lights, would suggest that you be thankful you have any at all. That the public may better understand the situation, I will respectfully submit the following facts concerning the physical conditions at the power house:
To begin with, we have only a single nit equipment, which was installed several years ago for a small town, and since the demands have more than doubled, even in the two years of the present management, the city has not been financially able to improve conditions at all, except to make a very small appropriation to rebuild most of the old dilapidated lines, but, in the near future, will probably take the necessary steps to improve the conditions and give the citizens service equal to any city in the state.
I hope you will give this little explanation publicly, that the public may stop long enough to consider, remembering that an equipment for a small town cannot meet the demands of a city. The Eagle well knows, so does the public at large, that this department was neglected when appropriations were in order, having asked for \$35,000 and got only \$6,000.

Respectfully,
B. R. Pilcher,
Chairman Water and Light Com.
